### Tips and trix

When testing the app at home you can set the tournament time to 5-10 min so you can test the features.

If you set long tournament and get gametime over 10 minutes then use wake lock on in main menu so screen don't shut down.

If your phone support full screen you can activate this in main menu.

### Menu & info

Instructions link.

Contact us.

Fullscreen.

Wake lock function.

Sound on / off.

Change sound.

Reset ongoing tournament.

# Robericano
